Cosmo

40 cm - 87 cm / max. 13 kg

Warning:

Do not modify the Avionaut Cosmo child safety seat in any way, as it may affect the child's safety during its use.

Warning:

Never place the Avionaut Cosmo child safety seat on an elevated surface, e.g. on a table or chair.

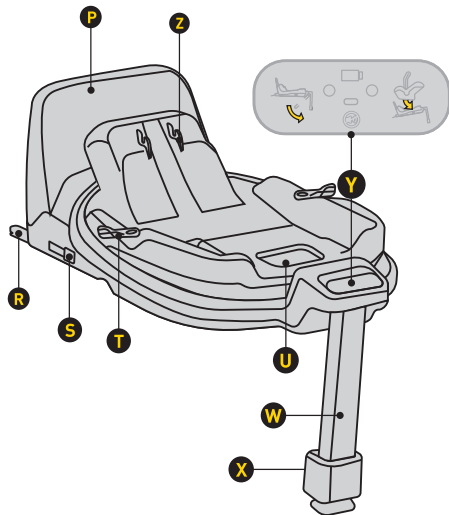

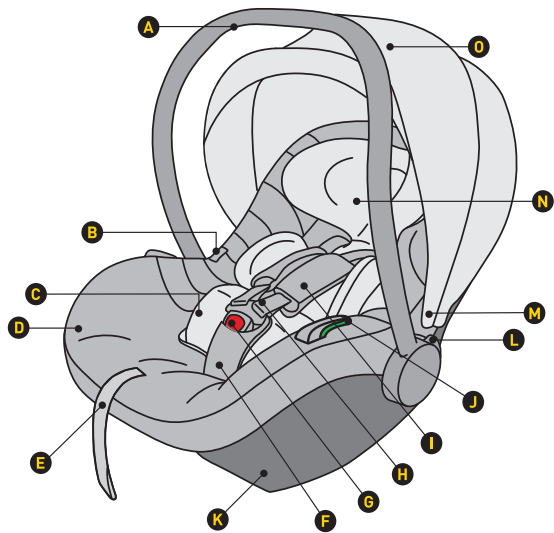

Warning:

Never install the Avionaut Cosmo child safety seat facing backwards to the driving direction in the front passenger seat with an active airbag.

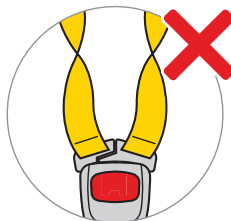

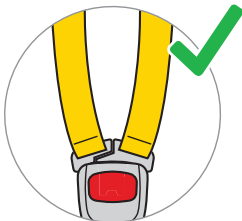

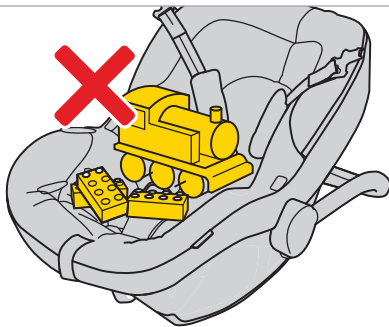

Warning:

For more information, please refer to the vehicle manufacturer's handbook.
